Proclamation of international years

Russian Federation: draft resolution

The Economic and Social Council,

Recalling General Assembly decision 35/424 of 5 December 1980 and Economic and Social Council resolution 1980/67 of 25 July 1980,

Recalling also General Assembly resolution 50/227 of 24 May 1996, in which, inter alia, the Assembly stressed, in annex I, paragraphs 66 and 67, that the primary function of the general segment should be an action-oriented review of the activities, reports and recommendations of the Council's subsidiary bodies and that the Council should regularly review the agenda of its general segment with a view to discontinuing consideration of items not relevant to the work of its subsidiary machinery or duplicative of items on the agenda of the General Assembly,

Reaffirming the importance of the guidelines for international years and anniversaries, adopted by the General Assembly in its decision 35/424 of 5 December 1980, for the consideration of proposals for the proclamation of international years,

Recognizing the need to provide for effective arrangements for the proclamation of international years,

* E/1998/2.

Recommends that the General Assembly decide that, starting from the year 1999, proposals for the proclamation of international years should be presented directly for the consideration of and action by the Assembly unless it decides to bring them to the attention of the Council for evaluation in accordance with the provisions of the above-mentioned guidelines.
